

One Wellbeing pathway to Torrens University

Certificate IV in Fitness

This qualification reflects the role of personal trainers who have specialist skills to train individual clients, or groups of clients, on a one-on-one or group basis, to improve health-related components of fitness in relatively low risk situations. This may include training of older clients and children.

Diploma of Sports Development

The **Diploma of Sport Development** is an entry level qualification that provides you with a solid foundation in the theoretical & practical skills necessary to work in sports. Taught by experienced industry professionals, who are leaders in the field, this course will enable you to develop essential skills required for gaining employment, securing career progression, or progressing to further qualifications and training required to achieve their goals in the industry.

The Diploma of Sport Development provides a pathway and 80 credits (1 yr of study) into the **Bachelor of Business (Sport Management)**

Certificate IV in Fitness

This qualification reflects the role of personal trainers who have specialist skills to train individual clients, or groups of clients, on a one-on-one or group basis, to improve health-related components of fitness in relatively low risk situations. This may include training of older clients and children.

Diploma of Sports Management

The **Diploma of Sport Management** is a ideal for students who wish to pursue a career in the sports industry and those who are interested in the business aspects of managing a sports team, sporting facilities and centres, events and sports marketing. This course is designed to equip you with a broad theoretical and technical knowledge required to operate and manage effectively within the sports management field. Throughout your studies, you will investigate the historical foundations of sport, management principles, socio-cultural influences of sport, and the role of governance in sport. The **Diploma of Sport Management** provides a pathway and 80 credits (1 yr of study) into the **Bachelor of Business (Sport Management)**

One Wellbeing pathway to Torrens University

Certificate IV in Youth Work

This qualification reflects the role of workers who develop and facilitate programs for young people through a range of community-based programs designed to address the social, behavioural, health, welfare, developmental and protection needs of young people.

Diploma of Counselling & Communication

The **Diploma of Counselling** is your first step towards a career in counselling through this accredited higher education course, which provides students with a sound understanding of counselling theories and strategies. After completing this diploma at Torrens, you have the option to upgrade your qualification with 80 credit points (1yr or study) into a **Bachelor of Applied Social Science (Community Services)**.

This course allows students to work effectively as a counsellor in various areas, including drug & alcohol, women's health and so much more

or

Bachelor of Applied Social Science (Counselling)

One Wellbeing pathway to Torrens University

Diploma of Events Management

This qualification reflects the role of individuals who use a broad range of event-related skills and sound knowledge of event management processes to coordinate event operations. They operate independently and make operational event management decisions.

Bachelor of Events Management

The **Bachelor of Events Management** builds upon the foundational skills students have learnt in the Diploma. Students will learn about marketing & public relations, event policy, strategy, logistics and risk, consumer behaviour, applied finance and business law. As a part of this degree you will also gain industry skills in project, strategic and event management and gives you the option to specialise in hospitality, tourism, marketing, public relations and advertising.

Studying the **Diploma of Events Management** with One Wellbeing provides a pathway and 80 credits (1 year of study) into the **Bachelor of Events Management** with **Torrens University**

Recognition of prior learning

Learning as the result of work or life experience, self-tuition, hobby or leisure activities (i.e. informal learning) may be credited against your degree with us. Likewise for a structured course of learning that does not lead to an officially accredited qualification (i.e. non-formal learning). For further information about these types of learning, refer to our Credit Policy.

Each application is assessed individually and your experience matched to the learning outcomes of the subjects covered in your course. All claimed work experience must be relevant to the qualification being applied for.

Evidence to support an application for credit based on informal and/or non-formal learning includes:

- letters from employers / references (on business letterhead)
- curriculum vitae, and corroborating evidence
- work documents/job statement and evidence of process
- portfolios containing samples of work
- interviews
- presentations or practical demonstrations
- challenge exam
- performance review evidence
- non-award professional development courses, and other non-AQF awards and certificates
- recognition of merit, or industry awards

Please note: standard entry requirements still apply. Entry requirements for Torrens University Australia courses can be accessed from our website.
